Who is ClearlyRated?

Headquartered in Portland, Oregon, ClearlyRated is a team of men and women who believe it's good business for professional service providers to place the client experience at the heart of their growth strategy.

To that end, we're on a mission to help accounting firms credibly differentiate themselves based on the service they provide.

What is ClearlyRated®?

The ClearlyRated client experience program blends a short client satisfaction survey with an online profile highlighting star ratings and testimonials earned by the firm. Imagine if JD Power & Associates had a love child with Glassdoor.com, and you see where we're going.

What is "Best of Accounting™"?

Participating firms are eligible to earn ClearlyRated's annual "Best of Accounting" award for service excellence. Winners are publicly acknowledged for their service accomplishments and are listed on ClearlyRated.com.

The Net Promoter® Methodology

The ClearlyRated accounting client survey uses the Net Promoter Score (NPS®) methodology. NPS is a simple metric based on the question “How likely are you to recommend our company to a friend or colleague?” The question is answered on a 0-10 scale with ten being extremely likely to recommend and zero being not at all likely.

Responses to this question are divided into three categories:

DETRACTORS

Give a rating of 0-6

PASSIVES

Give a rating of 7-8

PROMOTERS

Give a rating of 9-10

NPS is calculated by subtracting the percentage of detractors from the percentage of promoters:

16 / 20 **PROMOTERS = 80%**

2 / 20 **DETRACTORS = 10%**

= 70% NPS (80% – 10%)

What Our Clients Say

“ClearlyRated is by far the most responsive, consultative, personable, and professional vendor partner with whom I have had the pleasure of working. Their team goes above and beyond to offer us sound advice and always provides feedback that makes us shine as new NPS advocates. The software is superior to any of the applications we explored as part of our due diligence. The UX can’t be beat. The processes are streamlined and can be seamlessly executed. The reporting is clean and concise. The price is easily justified, and the fact that the teams intimately understand my market offers a tremendous added value.”

**JENNIFER ALTERWITZ**

Vice President Marketing & Communications, SC&H Group | Moore Stephens

“The ClearlyRated team is great to work with! My account manager answers every question so quickly (and patiently)! Second, the process was easy and smooth! Finally, the results are amazing and watching them update live is the best!”

**KAREN RASHID**

Marketing Manager, RP&B CPAs

“Not only is the ClearlyRated survey straightforward, effective, and minimally demanding on my clients’ time, but the ClearlyRated team is top-notch. Customer service is always their number one priority: where possible they are quick to accommodate any changes or requests we have, are very responsive to any questions, take ownership and provide speedy resolutions if something is not right, and basically make me feel like their most important customer ever! I honestly don’t know if I have a better working relationship with any of my professional vendors or contacts than I do with my ClearlyRated team. Great product; great people. I would and do recommend ClearlyRated!”

How It Works

Measure client satisfaction with Net Promoter® Score

NPS is a single metric that allows accounting firms to measure and grow client satisfaction and service quality across their firm.

Celebrate service wins and tackle client issues

Shout out notifications allow clients to recognize members of your team that have gone above and beyond the call of duty, while issue tracking helps you address client concerns before they become client churn.

Build online reputation with ratings and testimonials

NPS scores are validated and translated into a 5-star client rating, which will populate real-time on your firm's ClearlyRated.com profile (along with testimonials from clients who love you).

Win a third-party award for client satisfaction

Qualifying firms receive an accredited industry award, based exclusively on ratings provided by your clients, to help you demonstrate your commitment to client satisfaction and differentiate from the competition.

Grow your business on a foundation of service excellence

Surveying your clients is not a new idea. But investing in an industry-validated survey program designed specifically to help your firm foster a culture of service excellence and leverage client feedback for growth — that's the promise of ClearlyRated.

8-Question Client Survey

This is a preview of the survey that your clients will receive. On average, accounting firms that survey clients through ClearlyRated see a 32% response rate.

This Net Promoter® Score (NPS) question is the globally recognized survey question that determines a client's level of loyalty to your firm. This metric determines if your firm earns the Best of Accounting™ award.

After a decade of client satisfaction research for professional service firms, ClearlyRated has identified these 5 key drivers of client satisfaction.

Who to Survey

Surveying your clientele with ClearlyRated grants your firm eligibility to win the annual Best of Accounting™ award for service excellence. Each participating accounting firm must pass the eligibility standards before they can move forward to earn the award.

Preparing Your Contact List

To be eligible for the Best of Accounting award for client service excellence, **choose at least 3 consecutive months over the last 12 months**, and provide ClearlyRated with a list of **fifty percent (50%) or a minimum of 500** individual client contacts who were billed for services during that time frame.

EXAMPLE 1: You request a list from your accounts receivable department of clients who were billed in May, June, and July. These are three consecutive months, so your list meets the requirement.

EXAMPLE 2: You compile a list of clients who were billed in February, March, and April. These are three consecutive months, but they provided contact information for fewer than 50% of clients that were billed during this time. However, the contact list that was provided included a total of 550 individual client contacts. This requirement has still been met.

You must choose billed clients from 3 consecutive months.

Response Rate Requirements

Participating accounting firms must receive at least a 20% response rate AND at least 15 responses, or a minimum of 250 responses.

EXAMPLE 1: You provide a list of 35 clients. 17 of those clients complete the survey; that's a 49% response rate. You meet the award eligibility requirement of at least a 20% response rate and at least 15 total responses.

EXAMPLE 2: You provide a list of 172 clients. 31 of those clients complete the survey; that's an 18% response rate. This firm does NOT meet the response rate requirements of at least a 20% response rate, despite having received 15+ responses.

EXAMPLE 3: You provide a list of 1500 clients. 280 clients complete the survey; that's a 19% response rate. This firm meets the award eligibility requirements because they have at least 250 responses despite not having a 20% response rate.

You must have at least 15 responses and a 20% response rate.
