Who is ClearlyRated?

Headquartered in Portland, Oregon, ClearlyRated is a team of men and women who believe it's good business for professional service providers to place the client experience at the heart of their growth strategy.

To that end, we're on a mission to help PEO organizations credibly differentiate themselves based on the service they provide.

What is ClearlyRated®?

The ClearlyRated client experience program blends a short client satisfaction survey with an online profile highlighting star ratings and testimonials earned by the firm. Imagine if JD Power & Associates had a love child with Glassdoor.com, and you see where we're going.

What is "Best of HR Services™"?

Participating firms are eligible to earn ClearlyRated's annual "Best of HR Services" award for service excellence. Winners are publicly acknowledged for their service accomplishments and are listed on ClearlyRated.com.

The Net Promoter® Methodology

The ClearlyRated client survey uses the Net Promoter Score (NPS®) methodology. NPS is a simple metric, based on the question “How likely are you to recommend our company to a friend or colleague?” The question is answered on a 0-10 scale with ten being extremely likely to recommend and zero being not at all likely.

Responses to this question are divided into three categories:

DETRACTORS

Give a rating of 0-6

PASSIVES

Give a rating of 7-8

PROMOTERS

Give a rating of 9-10

NPS is calculated by subtracting the percentage of detractors from the percentage of promoters:

16 / 20 **PROMOTERS = 80%**

2 / 20 **DETRACTORS = 10%**

= 70% NPS (80% - 10%)

What Our Clients Say

“The ClearlyRated team is responsive, smart, consultative, and professional. For any company doubting the difference between what ClearlyRated offers and ‘do it yourself’ survey tools, they just need one interaction with the team to quickly see the value.”

How It Works

Measure client satisfaction with Net Promoter® Score

NPS is a single metric that allows PEOs to measure and grow client satisfaction and service quality across the organization.

Celebrate service wins and tackle client issues

Shout out notifications allow clients to recognize members of your team that have gone above and beyond the call of duty, while issue tracking helps you address client concerns before they become client churn.

Build online reputation with ratings and testimonials

NPS scores are validated and translated into 5-star client ratings, which populate real-time on your ClearlyRated.com profile (along with testimonials from clients who love you).

Win a third-party award for client satisfaction

Qualifying PEOs receive an accredited industry award, based exclusively on ratings provided by your clients, to help you demonstrate your commitment to client satisfaction and differentiate from the competition.

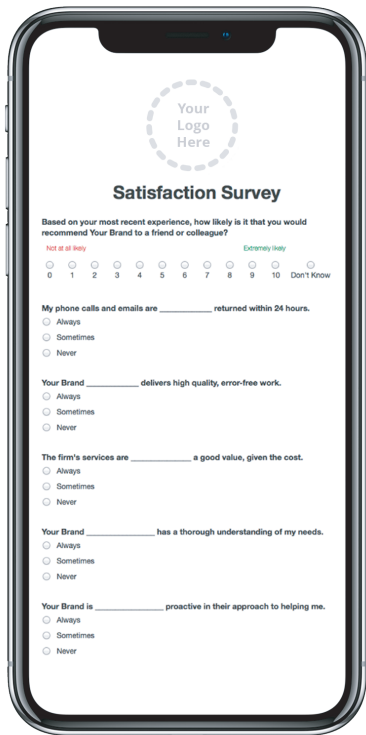

Grow your business on a foundation of service excellence

Surveying your clients is not a new idea. But investing in an industry-validated survey program designed specifically to help your company foster a culture of service excellence and leverage client feedback for growth - that's the promise of ClearlyRated.

8-Question Client Survey

This is a preview of the survey that your clients will receive. On average, PEO businesses that survey clients through ClearlyRated see a 32% response rate.

This Net Promoter® Score (NPS) question is the globally recognized survey question that determines a client's level of loyalty to your company. This metric determines if your firm earns the Best of HR Services™ award.

After a decade of client satisfaction research for professional service firms, ClearlyRated has identified these 5 key drivers of client satisfaction.

Who to Survey

Surveying your clientele with ClearlyRated grants your company eligibility to win the annual Best of HR Services™ award for service excellence. Each participating firm must pass the eligibility standards before they can move forward to earn the award.

Preparing Your Contact List

To be eligible for the Best of HR Services award for client service excellence, **choose at least 3 consecutive months over the last 12 months**, and provide ClearlyRated with a list of **one hundred percent (100%) or a minimum of 500** individual client contacts who were billed for services during that time frame.

EXAMPLE: You request a list from your accounts receivable department of clients who were billed in May, June, and July. These are three consecutive months, so your list meets the requirement.

You must choose billed clients from 3 consecutive months.

Response Rate Requirements

Participating PEO organizations must receive at least a 20% response rate AND at least 15 responses, or a minimum of 250 responses.

EXAMPLE 1: You provide a list of 35 clients. 17 of those clients complete the survey; that's a 49% response rate. You meet the award eligibility requirement of at least a 20% response rate and at least 15 total responses.

EXAMPLE 2: You provide a list of 172 clients. 31 of those clients complete the survey; that's an 18% response rate. This firm does NOT meet the response rate requirements of at least a 20% response rate, despite having received 15+ responses.

EXAMPLE 3: You provide a list of 1500 clients. 280 clients complete the survey; that's a 19% response rate. This firm meets the award eligibility requirements because they have at least 250 responses despite not having a 20% response rate.

You must have at least 15 responses and a 20% response rate.
