## Who is ClearlyRated?

Headquartered in Portland, Oregon, ClearlyRated is a team that believes it's good business for professional service providers to place the client experience at the heart of their growth strategy.

To that end, we're on a mission to help insurance providers credibly differentiate themselves based on the service they provide.

### What is ClearlyRated®?

The ClearlyRated client experience program blends a short client or internal employee satisfaction survey with an online profile highlighting star ratings and testimonials earned by the company. Imagine if JD Power & Associates had a love child with Glassdoor.com, and you see where we're going.

### What is "Best of Insurance™"?

Participating companies are eligible to earn ClearlyRated's annual "Best of Insurance" award for service excellence. Winners are publicly acknowledged for their service accomplishments and are listed on ClearlyRated.com.

## The Net Promoter® Methodology

ClearlyRated client and internal employee surveys use the Net Promoter Score (NPS®) methodology. NPS is a simple metric based on the question “How likely are you to recommend our company to a friend or colleague?” The question is answered on a 0–10 scale, with ten being extremely likely to recommend and zero being not at all likely.

Responses to this question are divided into three categories:

### DETRACTORS

Give a rating of 0-6

### PASSIVES

Give a rating of 7-8

### PROMOTERS

Give a rating of 9-10

NPS is calculated by subtracting the percentage of Detractors from the percentage of Promoters:

16 / 20 **PROMOTERS = 80%**

2 / 20 **DETRACTORS = 10%**

**= 70% NPS ( 80% - 10% )**

## What Our Clients Say

**KATE LESSARD**

Senior Manager of Sales Operations, Woodruff Sawyer

**MARCO NUNEZ**

Senior Analyst, Essential StaffCARE

## How It Works

### Measure client and internal employee satisfaction with Net Promoter® Score

NPS is a single metric that allows insurance providers to measure and grow client and internal employee satisfaction and service quality across the organization.

### Celebrate service wins and tackle client issues

Shout out notifications allow clients to recognize members of your team that have gone above and beyond the call of duty, while issue tracking helps you address client concerns before they create churn.

### Build online reputation with ratings and testimonials

NPS scores are validated and translated into 5-star client and internal employee ratings, which populate real-time on your ClearlyRated.com profile (along with testimonials from clients and internal employees who love you).

### Win a third-party award for client and internal employee satisfaction

Qualifying insurance providers receive an accredited industry award, based exclusively on ratings provided by your clients and internal employees, to help you demonstrate your commitment to client and internal employee satisfaction and differentiate from the competition.

### Grow your business on a foundation of service excellence

Surveying your clients and internal employees is not a new idea. But investing in an industry-validated survey program designed specifically to help your company foster a culture of service excellence and leverage client and internal employee feedback for growth — that's the promise of ClearlyRated.

### Offer a variety of different integrations with commonly used applications

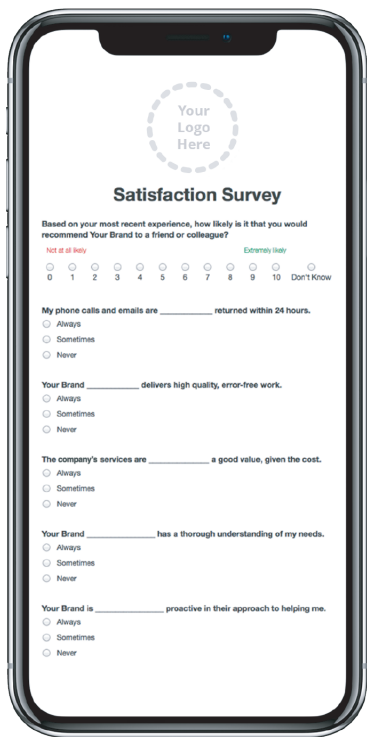

Our integrations allow you to access your survey results in the tools you already use and, after a painless initial setup, automate your survey sends. We currently integrate with the following applications:

- Salesforce
- Microsoft

## Who to Survey

Surveying your clientele with ClearlyRated grants your eligibility to win the annual Best of Insurance™ award for service excellence. Each participating company must pass the eligibility standards before they can move forward to earn the award.

### Preparing Your Contact List

To be eligible for the Best of Insurance award for client service excellence, **choose at least 3 consecutive months over the last 12 months**, and provide ClearlyRated with a list of **at least fifty percent (50%) or a minimum of 500 individual client contacts** who were billed for services during that time frame, with no individual client contacts removed with the specific intent to receive a higher Net Promoter Score.

**EXAMPLE:** You request a list from your accounts receivable department of clients who were billed in May, June, and July. These are three consecutive months, so your list meets the requirement.

You must choose billed clients from 3 consecutive months.

### Response Rate Requirements

Participating insurance providers must receive at least a 20% response rate AND at least 15 responses, or a minimum of 250 responses.

**EXAMPLE 1:** You provide a list of 35 clients. 17 of those clients complete the survey, that's a 49% response rate. Your company meets the award eligibility requirement of at least a 20% response rate and at least 15 total responses.

**EXAMPLE 2:** You provide a list of 172 clients. 31 of those clients complete the survey, that's an 18% response rate. Your company does NOT meet the response rate requirements of at least a 20% response rate, despite having received 15+ responses.

**EXAMPLE 3:** You provide a list of 1500 clients. 280 clients complete the survey, that's a 19% response rate. Your company meets the award eligibility requirements because they have at least 250 responses despite not having a 20% response rate.

You must have at least 15 responses and a 20% response rate.

Your employees, of course. And their happiness and job satisfaction matters too.
