Here's what our clients have to say:

- “Zita took the time to explain the survey process and walk me through every step. She was always responding in a timely manner.”
- “She has answered every phone call and email promptly and with the best, most helpful attitude.”
- “We had a rough start and Zita worked with me to resolve all of the issues. She answered emails immediately and was always available when I called. She helped me and our franchisees immensely during this survey and after. I'm sure next year it'll be even more successful!”

Fun Facts:

- Zita teaches yoga on the side around Portland and is working towards her 500hr RYT!
- She had a pet Chihuahua growing up who would bite her all of the time. She still adored him though and would smother him with love. A Lot.
- She can't watch A Star is Born – there's a flood of tears. Every. Single. Time.
